## **RURAL AND NORTHERN EDUCATION FUND (RNEF) SPENDING REPORT 2022-2023**

The Ministry announced new funding effective September 2017 in June of 2017 through the Grants for Students Needs (GSN) which was dedicated to school boards to further improved education for students from rural and northern communities.

Funding is allocated to school boards based on the number of rural students and two factors measuring the density of rural student enrolment in the school board.

School boards may use the funding for rural education based on local needs and must post publicly on how the funding was used, such as the following:

- improving programming and support services in rural schools (e.g. French immersion, arts education and guidance counselling)
- continuing the operation of rural schools
- enhancing student transportation options such as late bus runs and mobile online learning through tablets or Wi-Fi
