

## EDUCATIONAL EXCURSION FORMS

- This framework has been designed to ensure essential risks have been considered in the educational excursion and athletics planning process.
- For all educational excursions, teachers will complete FORM A and the other required elements from this package (depending on the type of excursion) and present it to the Principal for review and discussion.
- For any areas of concern where the Principal is uncomfortable with the risk level proposed, the Principal will contact their Superintendent of Education for guidance.

All individuals taking students on trips outside of the classroom **MUST** read Policy and Procedure 401 including the cross-reference procedures indicated in the document.

**ELEMENTS OF RISK**

Educational activity programs outside the school, such as this trip which is being offered, involve certain elements of risk. Accidents may occur while participating in these activities, and these accidents may cause injury. A few examples of the type of injury which may occur while participating are sprains, strains, bruises, bumps, fractures, concussions, and asthma attacks as well as other serious injury, paralysis, or death. These accidents result from the nature of the activity and can occur without any fault on either the part of the students, of the School Board, or its employees or agents, or of the facility where the activity is taking place. By choosing to participate in the activity, you are assuming the risk of an accident occurring.

KPDSB has policies and procedures in place to govern the conduct of students, staff, and volunteers to ensure the safety of all participants. The chance of an accident occurring can be reduced by carefully following instructions at all times while engaged in the activity. If you choose to participate in this educational trip, you must understand that you will bear the responsibility for any accident that might occur. The Keewatin-Patricia District School Board does not provide any accidental death, disability, dismemberment or medical expense insurance on behalf of the students participating in this activity.

Recreational swimming will not be approved unless qualified lifeguards/supervisors are on duty AND PFDs/lifejackets are worn by all students when swimming in open water (i.e. lake, beach, dock, etc.). For water-related outdoor education experiences, PFDs/lifejackets must always be worn on, in, or near the water.

**ACKNOWLEDGEMENT**

We have read the above. We understand that in participating in the activity, we are assuming the risks associated with doing so.
