## **Policy Statement**

It is the policy of the Keewatin-Patricia District School Board (KPDSB) to establish an Early Years Advisory Committee (EYAC) to provide the Board with advice on programs, services, and matters to support children and families in the Early Years, to ensure that students come first in all matters discussed.

## **Rationale**

The Keewatin-Patricia District School Board recognizes the importance of having a committee comprised of community partners to provide advice and recommendations to the Board on all aspects of the implementation of the Ministry of Education's Early Years vision. By working together, we can ensure that children from birth to age six (6) will have programs and supports in place, so children and families have the best possible start in life.

## **Guidelines**

An Early Years Advisory Committee will be established and maintained to provide advice to the Keewatin-Patricia District School Board on all matters concerning the Early Years.

The Early Years Advisory Committee may:

1. Identify community and/or Board matters or issues concerning the Early Years;
2. Identify community and/or Board common interests concerning the Early Years;
3. Suggest enhancements for existing programs or considerations for new programs; and
4. Provide feedback on KPDSB processes and programs that impact community partners.
