Procedure Name: **Human Development and Sexual Health Exemptions – NOTIFICATION LETTER**

904-1

Dear Parent/Guardian of Grade ____ Student:

The grade ____ class is planning for a period of instruction related to the Human Development and Sexual Health expectations (found in Strand D) in your child's grade that will start on _____ and end on _____. As required, this is your twenty (20) school day advance notice of instruction in Human Development and Sexual Health.

We have included the list of the Human Development and Sexual Health expectations that your child(ren) will be engaged in learning during their Health and Physical Education Class.

If you would like your child to be exempt from instruction related to these expectations, without academic penalty, please complete the attached exemption form five (5) school days before the start of instruction. Please return the form before (date): _____.

Sincerely,

School Administrator and/or Classroom Teacher
