## **Policy Statement**

It is the policy of the Keewatin-Patricia District School Board that announcements and advertisements may be permitted in school in accordance with the following guidelines. It is a site-based decision as to which announcements/advertisements will be allowed. Schools will base their decisions on the benefit of the announcement to students and the disruption to the school program.

## **Rationale**

Announcements/advertisement may be of benefit to students for a variety of reasons and so may be permitted by the Principal when the requests fulfill this mandate. Considering the frequency of requests that are made from organizations outside of the school for announcements/ advertisements through or to students, it may be inappropriate for all requests to be approved.

## **Guidelines**

1. An announcement/advertisement that includes multiple schools requires the approval of the appropriate Superintendent of Education.
2. Announcements/advertisements, contests, activities must be relevant to Ministry, Board or school curriculum as deemed by the Principal or designate.
3. The process of distributing materials must not interfere with the regular school curriculum or timetable and not be commenced without the express consent of the Principal or designate.
4. The Principal or designate of each school may permit local community or service groups and/or individuals to have their meeting dates and times, registration dates and times, cancelled meeting times and other pertinent information affecting students announced, or posted. The Principal or designate, where the requests are reasonable and do not interfere unduly with regular school procedures, may permit the posting of notices in the school in designated locations including school board websites, if deemed appropriate and, if deemed advisable, the distribution of information to the students.

All advertising from local community or service groups, or any other source whether in an announcement or poster, must be approved by the Principal or designate in both form and content.
