

Policy Section: **School Administration**

300

Policy Name: **Substance Use by Students**

319

Policy Statement

It is the policy of the Keewatin-Patricia District School Board that the use of designated substances by students will not be tolerated in order that schools can create and maintain a safe and healthy environment in schools and all school-sanctioned activities.

The Keewatin-Patricia District School Board will cooperate with students, parents, and families, including addiction service providers through prevention education, discipline procedures and assistance for students with problems regarding substance use and abuse.
