Preamble

The purposes of School Councils are:

- a) To work in partnership with schools;
- b) To improve student achievement and success; and
- c) To enhance the accountability of the education system to parents/guardians and communities through their active participation.

The primary way to achieve these purposes is by making recommendations (in accordance with this policy and Ontario Regulation 612/00 to the Principal of the school and to the Keewatin-Patricia District School Board.

Policy Statement

It is the policy of the Keewatin-Patricia District School Board (hereinafter known as the Board) that each school shall establish a School Council. School Councils shall operate in accordance with this policy and make overall interests of the school and students their first concern.

School Councils shall operate within the parameters of The Education Act, Regulations 612/00, 613/00, 298 and other relevant legislation. School Councils shall also operate within the guidelines of the Board’s policies and agreements, including collective agreements. While the Board recognizes the important advisory role of the School Councils, it is the policy of the Board that the ultimate responsibility for the administration and management of the day-to-day operation of the school and the system rests with the Principals, the Superintendent(s) of Education and the Director of Education.

Regulations

1. Administrative Detail

- a) It is the responsibility of the Principals to implement this policy in accordance with Regulations 612/00, 613/00 and 298.
- b) The Director’s Annual Report to the Ministry of Education and Training and the Board shall include a statement on the operation of School Councils.

2. Membership

The School Council shall ensure that parents/guardians constitute the majority of the members of the School Council. It is expected that the membership on a School Council shall reflect the diversity of the school community. In the event that the elected parents/guardians do not reflect this diversity in terms of demographics, divisional representation (e.g. primary, junior, intermediate, senior) and all related programs (e.g. extra-curricular), the School Council shall consider the issue of balance in the selection of community representatives. The size of the School Council shall be set by the by-laws at the school level.

2.1 Parents/Guardians

- a) The parent/guardian representatives shall be elected by and from parents and guardians of students currently enrolled in the school and shall form the majority of the School Council.
- b) A Trustee of the Keewatin-Patricia District School Board cannot be a member of a School Council within the Board.
- c) Board employees are not eligible to run for School Council as a parent/guardian representative in a school where they are employed as per Ontario Regulation 612/00. This includes casual employees at the school.

2.2 Principals

The Principal of the school shall be a non-voting member of the School Council.

2.3 Teachers

One teacher, (other than the Principal or Vice-Principal employed at the school) shall be elected as per Ontario Regulation 612/00, the Ministry of Education election procedures and section 3.1c) and section 3.2 of this policy.

2.4 Non-Teaching Staff

One (1) person employed at the school (other than the Principal, Vice-Principal, or a teacher) shall be elected as per Ontario Regulations 612/00, the Ministry of Education election procedure and sections 3.2 and 3.1a) of this policy.

2.5 Student Representative (does not apply to schools primarily for adults)

- a) In secondary schools with a Student Council, one (1) student enrolled in the school shall be appointed by the Student Council.
- b) In secondary schools without a Student Council, one (1) student enrolled in the school shall be elected as per Ontario Regulations 612/00, the Ministry of Education election procedure and sections 3.1a) and 3.2 of this policy.
- c) In elementary schools, the Principal shall appoint one (1) student enrolled in the school if the School Council decides to include a student.

2.6 Community Representative

- a) The School Council shall appoint at least one (1) community representative. More community representatives may be appointed as long as the majority of School Council members are parents/guardians.
- b) Employees of Keewatin-Patricia District School Board are not eligible to be community representatives on School Councils unless;
 - i) The person is not employed at the school; and
 - ii) The School Council is informed of the person's employment before the appointment.

3.1 Elections of all members shall be held during the first thirty (30) days of each school year on a date fixed by the Chair or Co-Chair(s) of the School Council after consultation with the Principal of the school.

If a new school is established, the first election of members shall be held during the first thirty (30) days of the school year on a date that is fixed by the Board. The Board will set a common election period for the purpose of enhanced communication.

- a) A person is eligible to be a parent/guardian member of a School Council if he or she is a parent/guardian of a pupil who is enrolled in the school, unless;
 - i) He or she is employed at the school; or if
 - ii) He or she is not employed at the school but is employed elsewhere by the Board and the individual has not taken reasonable steps to notify people eligible to vote in the election of parent/guardian members of that employment.
- b) A person is eligible to vote in an election of parent/guardian members of a School Council if he or she is a parent/guardian of a pupil who is enrolled in the school. The vote shall be by secret ballot.
- c) Only teachers employed at the school are eligible to vote for a teacher representative who is employed at the school.
 - i) Neither the Principal nor Vice-Principal shall be a teacher representative or vote for a teacher representative.
- d) Non-teaching staff employed at the school, excluding Principal/Vice-Principal, are eligible to vote in an election of the non-teaching staff representative of the School Council.
- e) In a secondary school where there is no Student Council, a person is eligible to vote in an election of a pupil enrolled in the school if he or she is a pupil enrolled in the school.

3.2 School Councils shall outline a specific election process in their constitution/procedural guidelines.

3.3 Notice of School Council Elections

The Principal of a school shall, at least fourteen (14) days before the date of election of parent/guardian members, give written notice of the date, time and location of the election to every parent/guardian of a pupil who, on the date the notice is given, is enrolled in the

school. The Principal may give notice by sending a note home with each pupil and posting the notice in the school in a location that is accessible to parents/guardians.

The Keewatin-Patricia District School Board will assist in advertising a common election period at all schools.

3.4 The Ministry of Education School Council Guide for Members (2002) and the Keewatin-Patricia District School Board “The Joy of Making a Difference: Getting Started for Principals (2004)” further describes election procedures.

4. Term of Office

4.1 A term of office shall not exceed one (1) year.

4.2 Members may be elected/appointed for additional terms at subsequent elections unless otherwise provided by the by-laws of the School Council.

4.3 All School Councils shall be in place within thirty (30) days of the start of the school year.

5. Membership Vacancies

5.1 Vacancies may occur when either:

- a) Positions on the School Council have not been filled after election and appointment; or
- b) A member resigns.

5.2 A School Council shall fill a vacancy by election or appointment in accordance with the by-laws of the School Council.

5.3 A term of office ends (for the filled vacancy) with the current School Council’s term of office.

5.4 A vacancy in the membership of a School Council does not prevent the School Council from exercising its authority, unless the number of vacancies means that parents/guardians no longer form the majority or that the number of vacancies will not meet by-law requirements for quorum in the School Council by-laws.

6. Role of the School Councils

6.1 Consultation

School Councils shall consult with parents/guardians of students enrolled in the school about matters under consideration by the School Council.

6.2 a) Advisory Authority

School Councils may make recommendations to the Principal or to the Keewatin-Patricia District School Board on any matter excluding personnel matters and other matters that the Board is required to deal with in-camera such as: the security of the property, the acquisition or disposal of a school site, negotiations or litigation affecting the Board as set out in the Education Act. The Principal shall consider each recommendation and in a timely manner shall advise the Council of the action taken in response to the recommendation.

b) Each School Council shall annually:

- i) Review the school code of conduct;
- ii) Review school improvement plans;
- iii) Establish annual priorities or goals;
- iv) Participate in the development of School Improvement Plans; and
- v) Submit an annual report on its activities and fundraising (Section 8.6).

6.3 Recommendations made in writing to the Board shall be considered by the Board and the School Council shall be advised in writing of the action taken in a timely manner. Recommendations so made, shall reflect the majority opinion of the School Council in the form of a resolution.

6.4 Consultation by Board

a) The Keewatin-Patricia District School Board shall consult School Councils on the following issues:

- i) Policies and implementation plans with respect to the Code of Conduct regarding the conduct of persons in schools;
- ii) Policies and implementation plans with respect to appropriate dress for pupils;
